Holiday calendar	Holidays_GX_Singapore

INDEX QUALITY SPECIFICATION

The I-REC Standard is a globally recognized standard that certifies the renewable origin of electricity. It is adopted across many regions including Asia, Oceania, Africa, South America, and Middle America.

The I-REC Standard is managed by the I-REC Standard Foundation, a non-profit organization, in collaboration with government authorities to ensure compliance with national regulations.

- Each I-REC represents 1 megawatt-hour (MWh) of electricity from renewable sources.
- I-RECs are bundled with the electricity sold.

ASSESSMENT TIMES

TIME	DETAILS
1630	Singapore Close
